DOCKET NO. UD-16-03

ORDER

On March 3, 2017, the Hearing Officer convened a telephone status conference pursuant to Entergy New Orleans' ("ENO") unopposed motion to suspend the then current procedural schedule. During the conference, the parties represented that settlement was imminent and requested a further extension of the procedural schedule. No party objected. Again, ENO agreed that if a further extension were granted, the company would further extend the deadline for Council approval of the Restructuring in order to receive the guaranteed credits to the Second Quarter of 2017. Accordingly, the Hearing Officer granted the parties' request for additional time and set a status conference for April 21, 2017.

The motion is hereby GRANTED. The next status conference will be held by telephone on May 5, 2017, at 10:00 a.m., New Orleans local (central standard) time. The Council Utilities Regulatory Office shall distribute instructions for participating in the telephone conference.

This 24th day of April, 2017.

JEFFREY S. GULIN
Hearing Officer
