CITY OF NEW ORLEANS
Docket No. UD-16-02

Response of: Entergy New Orleans, Inc.
to the Sixth Set of Data Requests
of Requesting Party: Alliance for Affordable
Energy

Question No.: AAE 6-1

Part No.:

Addendum:

Question:

Refer to Exhibit CLR-2, page 4.

- a. Please provide supporting documentation that construction will take six years.
 - b. Has this analysis been updated since May 2016? If so, please provide a copy of that report
-

Response:

- a. As the Company's June 2016 Application reflects, the planning for and construction of NOPS was expected to occur between 2015 and 2020, but actual construction was not expected to take six years, and the referenced report does not indicate to the contrary. *See* Direct Testimony of Jonathan E. Long, June 2016, at 7.
- b. No. The analysis relating to the economic impact of the CT resource has not been updated.
