Part No.:

Addendum:

Question:

Refer to Exhibit CLR-2, page 9, Table 3.

- a. Please provide the I/O tables for Orleans Parish that were used in the operations impact analysis.
  - b. Please provide a breakdown of “direct” impacts by industry, by year.
  - c. Please provide the assumption for how much of demand for each industry is to be produced within the Parish—for each industry modeled.
- 

Response:

- a. Please see attachments to AAE 6-4.
- b. Table 3 provides a breakdown of indirect impacts on Orleans Parish during the first year of operations. Table 3 does not break down direct impacts by industry and by year. However, page 8 of the report notes the amount that the Company estimated that it will spend to operate NOPS annually.
- c. Table 3 does not model any industries.
