DOCKET NO. UD-16-04

**ORDER**

A telephone status conference in the captioned matter was held on October 13, 2017 at 10:00 a.m. Representatives of the City of New Orleans, the Advisors to the Council of the City of New Orleans, the Alliance for Affordable Energy (“Alliance”), and Entergy New Orleans, Inc. (“ENO”) participated in the status conference. Based on the discussion at the status conference, counsel for ENO suggested that a new status conference be set in early 2018 to discuss the status of settlement negotiations at that time and to determine whether the currently-suspended procedural schedule would need to be re-established. There was no objection to the setting of such a status conference, however, a representative of the Alliance asked that any initial settlement proposal be provided to Intervenors at the same time as it is provided to any other party. Counsel for ENO agreed to do so. Accordingly, it is **HEREBY ORDERED** that a telephone status conference will be held on February 2, 2018, at 10 a.m. New Orleans local (Central Standard) time. The Council Utilities Regulatory Office shall distribute instructions for participating in the telephone conference.

This 16<sup>th</sup> day of October, 2017.
