DOCKET NO. UD-17-05

ORDER

On April 4, 2018, Entergy New Orleans, LLC (“ENO”) filed an Unopposed Motion to Extend the Existing Procedural Deadlines in the above-captioned Docket.

Considering ENO’s Motion, and the fact that the Council Advisors, the Alliance for Affordable Energy, Air Products and Chemicals, Inc., the American Institute of Architects, New Orleans Chapter, and the Gulf States Renewable Energy Industries Association, have no objection to the Motion,

IT IS ORDERED that ENO’s Unopposed Motion to Extend the Existing Procedural Deadlines to (1) file a Proposed Agreement in Principle from April 6, 2018 until April 20, 2018, and, (2) to file Comments on the DG Application from April 13, 2018 until April 27, 2018, is hereby GRANTED,

This 5th day of April, 2018.
