**DOCKET UD-18-02**

**June 4, 2018**

**The Alliance for Affordable Energy**

**Petition for Intervention and Inclusion on Service List.**

The Alliance for Affordable Energy, (“the Alliance”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant the Alliance the right to intervene in the above captioned proceeding and participate as a party therein.

On April 5, 2018, the full Council for the City of New Orleans issued Resolution R-18-100, establishing the above mentioned docket. It is customary for such Council resolutions to set a docket number and outline an intervention period, informing the public how and when to intervene. In this instance, there was no direction or intervention period described. However, Section 158-287 of the City’s Code for Utility Regulation states, “Any party actually in interest may appear in any proceeding before the Council under this article.”<sup>1</sup> The Code goes on to state, “...every civic, consumer, public advocacy and trade organization shall be permitted to appear in any proceeding whether as a formal intervenor or otherwise, and present any relevant and proper testimony and evidence bearing upon the issues involved in the particular proceeding.”

The Alliance is a non-profit Louisiana organization that serves as a consumer advocate for the electric ratepayers of Louisiana, with special concern for residential and small commercial customers. The Alliance is dedicated to supporting fair, affordable, environmentally-responsible energy policy for the citizens of New Orleans and Louisiana.

The Alliance is a formal intervenor in other dockets considering electric infrastructure owned by Entergy New Orleans, LLC (“ENO”).

---

<sup>1</sup> City Code of New Orleans, Section 158-287

The Alliance has members served by ENO. There is no other party representing the interests of the Alliance and its members.

Please note the Alliance is a non-profit consumer advocacy organization thus pursuant to Council Resolution R-16-365, we request that all intervenor fees be waived.

The Alliance therefore possesses standing to intervene, and respectfully seeks intervenor status in order to fully participate in this matter. The Alliance requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

All communications and pleadings in this proceeding should be directed to:
