**BEFORE THE
COUNCIL OF THE CITY OF NEW ORLEANS**

***In Re: Resolution and Order Establishing a Docket and Opening a Rulemaking
Proceeding to Establish Rules for Community Solar Projects - Docket No. UD-18-03***

**POSIGEN OF LOUISIANA'S
PETITION FOR INTERVENTION OUT OF TIME AND INCLUSION ON
SERVICE LIST**

NOW COMES the PosiGen of Louisiana, LLC (“PosiGen”) and respectfully requests that the Council of the City of New Orleans (“The Council”) grant PosiGen the right to intervene out of time in the above captioned proceeding and to participate as a party therein. PosiGen requests intervention in this proceeding for the following reasons:

I.

On April 5, 2018, the full Council for the City of New Orleans issued Resolution R-18-223, establishing the above-mentioned docket, providing for intervention by interested parties by July 27, 2018.

II.

PosiGen is a New Orleans-based residential solar installer with a focus on providing affordable solar electric systems and energy-efficiency upgrades to low-to-moderate income homeowners.

III.

PosiGen has installed approximately 3,500 net-metered solar installations in the City of New Orleans and believes that its mission and experience brings valuable contributions to this docket. As a rooftop solar developer that aims to bring solar savings to those homeowners who can use them the most, PosiGen has a direct interest in community solar and the proceedings taking place under this docket.

IV.

PosiGen is a formal intervenor in other dockets considering Entergy New Orleans' solar planning and grid technology and improvements.

VI.

There is no other party representing the unique interests of PosiGen, its customers, and its stakeholders in matters related to this docket.

VII.

As PosiGen has a strong material interest in the matters covered by the present proceeding and believe that our participation will be beneficial to these proceedings, we are submitting this request for intervenor status out of time. We therefore pray that The Council will accept this petition to intervene out of time and grant PosiGen full rights of procedural due process before The Council in the aforementioned proceedings; and that PosiGen be given full and complete standing to participate in any and all meetings as an

equal participant in the proceedings; and that all participants in these proceedings be required to serve future testimonies or other correspondence related to this docket to PosiGen.

All communications and pleadings in this proceeding should be directed to:
