DOCKET UD-18-07
November 6, 2018

The Alliance for Affordable Energy
Support for Crescent City Power Users’ Group Motion for Extension of Time

The Alliance for Affordable Energy, (“the Alliance”) supports the motion, filed by the Crescent City Power Users’ Group (“CCPUG”) today in Council Docket UD-18-07, for an extension of time to file direct testimony.

The Alliance is a non-profit Louisiana organization that serves as a consumer advocate for the electric ratepayers of Louisiana, with special concern for residential and small commercial customers. The Alliance is dedicated to supporting fair, affordable, environmentally-responsible energy policy for the citizens of New Orleans and Louisiana.

The outcome of the instant docket is of great interest to all energy users in New Orleans. The voluminous nature of the filing (over 3,300 pages, not including work papers), the broad topics covered, and innovative proposals included in Entergy New Orleans, LLC’s application require significant time to analyze. Subject matter experts who file written testimony are considering not only the September, 2018 application, but also extensive discovery propounded by each party.
The last full rate case filed for Entergy New Orleans was in 2008-2009, followed by five (5) years of rate reductions, and another four (4) years of static rates (for Legacy ENO customers). This suggests considerable scrutiny is required to ensure the outcomes of this rate proceeding are justified for ratepayers.

Therefore, the Alliance agrees an additional six (6) week of time over the holiday season for analysis and preparation of testimony in this docket is appropriate and fair.

Respectfully Submitted,
