RE: PosiGen of Louisiana, LLC Letter of Support for the Alliance for Affordable Energy's Reply Comments Regarding the Proposed Changes to the Electric Utility Integrated Resource Plan Requirements of the Council of the City of New Orleans Docket UD-17-01

Dear Ms. Johnson,

PosiGen would like to offer this letter of support and to echo the Alliance for Affordable Energy's Reply Comments Regarding the Proposed Changes to the Electric Utility Integrated Resource Plan Requirements. PosiGen provided initial comments in Docket UD-17-01, and to date PosiGen's suggestion for a group meeting to discuss common ground regarding the rulemaking process has fallen on deaf ears. PosiGen appreciates all of the hard work the Alliance for Affordable Energy continues to do to hold the Entergy New Orleans accountable to the ratepayers while balancing the desire of consumers for greater energy choice. PosiGen hopes the Council's Advisors and the Council will take the Alliance's recommendations under careful consideration and we look forward to being an active participant in the 2018 Integrated Resource Planning. Thank you.

Sincerely,

Karla Loeb
