BEFORE THE COUNCIL OF THE CITY OF NEW ORLEANS

**IN RE: 2018 TRIENNIAL
INTEGRATED RESOURCE PLAN OF
ENERGY NEW ORLEANS, INC.**

DOCKET UD-17-03

**Advanced Energy Management Alliance Petition for Intervention Out of Time and
Inclusion on Service List**

The Advanced Energy Management Alliance (“AEMA”) respectfully requests that the Council of the City of New Orleans grant AEMA the right to intervene out of time in the above referenced docket and to participate as a party therein.

AEMA is a trade association under Section 501(c)(6) of the Federal tax code whose members include national distributed energy resource companies and advanced energy management service and technology providers, including demand response providers, as well as some of the nation’s largest demand response and distributed energy consumers. AEMA member companies have worked with utilities on demand response programs across the Southern United States, the MISO region, and the entire country, and have extensive experience working to align utility and consumer needs through resource planning processes. No other party represents the interests of AEMA and its members.

AEMA intends to participate in this proceeding in order to advance the interests of third party distributed energy resource providers and the consumers they serve in the

Entergy New Orleans, Inc. service territory. AEMA's interest in this proceeding includes working with parties in New Orleans to create and expand demand response and distributed energy resource opportunities, as a means to achieving electricity cost savings for consumers, contributing to system reliability and resilience, and hedging against generation retirements and new capacity builds.

No other party to this proceeding is suited to adequately represent AEMA's interests and this intervention will not prejudice any other party or unduly delay these proceedings.

AEMA requests standing to intervene in the aforementioned matter, and respectfully seeks full intervenor status in order to fully participate in this docket. AEMA also requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

Please note that AEMA is a non-profit trade organization, thus pursuant to resolution R-16-365, we request that all intervenor fees be waived.

All communications and pleadings in this docket should be directed to:
