Part No.:

Addendum:

Question:

Relating to the Sewerage and Water Board:

- a. Please provide the details of how their monthly kWh and kW usage is included in the forecast, and what sector it would be included under?
 - b. What portion of its energy use is self generated?
 - c. Please provide the most recent calendar year of monthly usage for this customer from the customer account billing determinants.
-

Response:

- a. Electricity consumption levels for the Sewerage and Water Board of New Orleans' ("SWBNO") accounts are not individually or separately forecasted. That consumption is included with other consumption as part of the Governmental class forecast.
- b. ENO is not in possession or aware of information related to the portion of SWBNO energy use that is met with self-generation. ENO notes that SWBNO is a party to this proceeding and should be able to provide the information requested.
- c. ENO is not permitted to disclose this customer-specific information without written consent from the customer (SWBNO). ENO notes that SWBNO is a party to this proceeding and should be able to provide the information requested.
