DOCKET NO. UD-17-04

**UNOPPOSED MOTION OF ADVISORS TO AMEND
PROCEDURAL SCHEDULE**

Now come Advisors to the Council of the City of New Orleans (“Advisors”), who respectfully request that the procedural schedule in the captioned proceeding be modified and amended with the following dates. Counsel for the Advisors has contacted counsel for Entergy New Orleans, Inc., (“ENO”) and the Intervenors in this proceeding by electronic mail on Friday August 31, 2018 explaining the reason for this motion and no objections were received by any party.

The current procedural schedule in this docket was established in Council Resolution R-18-98 dated April 5, 2018 and amended by an Order of the Hearing Officer dated May 7, 2018. The amended schedule includes remaining deadlines for the Advisors to file comments on ENO’s Revised Reliability Plan on September 5, 2018 and for ENO to file responsive comments on October 5, 2018. However, ENO has recently retained the services of Quanta Technology, LLC (“Quanta”) to perform an evaluation of certain aspects of ENO’s distribution system as they relate to reliability. Quanta will prepare a report based on its evaluation and ENO has agreed to file Quanta’s report in this docket on or before October 31, 2018. The Advisors also request that the parties be directed to convene a status conference call on or before November 9, 2018 for the

purpose of establishing additional dates in the procedural schedule that would allow for ENO, the Advisors, and Intervenors to submit comments on Quanta's report. Therefore, the Advisors request that the remaining dates be suspended and that the schedule be amended and supplemented as reflected below:

DEADLINE	PROPOSED DATES
ENO Shall File Quanta's Report	October 31, 2018
Parties Shall Convene a Status Conference Call for the Purpose of Proposing Additional Dates in Schedule	On or Before November 9, 2018

Resolution R-18-98 provides that the Honorable Jeffrey Gulin shall serve as Hearing Officer in this proceeding and shall rule on procedural disputes, including motions and discovery and shall, for good cause shown and as required by the circumstances of the proceeding, have the authority to change or amend the dates on the procedural schedule.

Respectfully submitted,
