**ADVISORS' REPORT ON SETTLEMENT DISCUSSIONS**

Now come the Advisors to the Council of the City of New Orleans (“Advisors”), in accordance with the procedural schedule adopted in the Order issued in this proceeding on January 14, 2019, to submit this Report regarding the status of the continued settlement discussions among the parties regarding Entergy New Orleans, LLC’s (“ENO” or “Company”) proposed 90 MW Renewables Portfolio.

The Advisors have been in contact with ENO and understand that the Company is still exploring alternative deal structures that could improve the economics of certain deals. In addition, it is the Advisors’ understanding that ENO is also conducting a review of the proposed 20 MW New Orleans Solar Station to determine whether the estimated cost of that proposed facility can be reduced. ENO is currently gathering further information from its counterparty and the Company anticipates that it will have additional information to share with the parties to the case within the next two weeks.

RESPECTFULLY SUBMITTED:
