DOCKET UD-19-01

April 10, 2019

350 New Orleans

Petition for Intervention and Inclusion on Service List.

350 New Orleans (“350 NO”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant 350 NO the right to intervene in the above captioned proceeding and participate as a party therein.

On October 4, 2018, the full Council for the City of New Orleans voted to approve Resolution R-18-434, establishing the above mentioned docket, providing for intervention.

350 NO is a non-profit Louisiana organization that serves as an advocate for clean energy solutions that help to mitigate climate issues and provide economic stimulus for the people of South Louisiana, especially those in marginal communities most affected by pollution and climate issues. 350 New Orleans is committed to advocating and supporting fair, inclusive, economically just and environmentally responsible energy policy for the citizens of New Orleans and Louisiana.

350 NO has been a formal intervenor in other rulemaking dockets before this Council, including UD-18-03 to develop rules for a Community Solar, and UD-17-01 to update Integrated Resource Planning rules.

Please note that 350 NO is a non-profit advocacy organization thus pursuant to Council Resolution R-16-365, we request that all intervenor fees be waived.

350 NO therefore possesses standing to intervene, and respectfully seeks intervenor status in order to fully participate in this matter. 350 NO requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

All communications and pleadings in this proceeding should be directed to:
