DOCKET UD-18-01

May 31, 2019

The Alliance for Affordable Energy

Notice of Intention to Participate

The Alliance for Affordable Energy, (“the Alliance”) hereby offers this notice of intent to participate in the Electric Vehicles (“EV”) portion of the above captioned docket.

On December 20, 2018, the full Council for the City of New Orleans issued Resolution R-18-537, a procedural schedule to allow input on the regulatory and technical matters related to electric vehicles. A deadline for parties to file a notice of intent to participate or file comments was set for January 31, 2019.

Since that time, a new procedural schedule has been set, with a deadline for notice of intent to be filed by May 31, 2019, therefore this letter of notice by the Alliance is timely.

The Alliance is a formal intervenor in other dockets considering electric infrastructure owned by Entergy New Orleans, LLC (“ENO”). The Alliance is also currently an intervenor in council docket UD-18-01 and is on the official service list.

All communications and pleadings in this proceeding should be directed to:
