We believe that there is no conflict between lower energy costs and lower pollution, or between good jobs and regulation. As Louisiana's only dedicated Watchdog we work hard to give Louisiana residents a voice at the table when it comes to keeping the lights on, and to fight for an energy future that works for everyone.

Local sponsors include Solar Alternatives and Foundation for Louisiana.

Doors will open at 8pm and the show will go live at 9pm. The show will also be livestreamed on [nugs.net](https://nugs.net) - details on how to join will be announced in March.

Raffle tickets will go on sale soon. Stay tuned! You won't want to miss your chance at these incredible prizes generously donated by [Tipitina's](#) including a 1st Weekend [New Orleans Jazz & Heritage Festival](#) Golden Ticket and two Tipitina's posters custom framed by [Uptown Frames](#).
