Docket No. UD-22-04

Response of: Entergy New Orleans, LLC
to the First Set of Data Requests
of Requesting Party: Sierra Club

Question No.: SIERRA 1-5

Part No.:

Addendum:

Question:

ENO states in the Executive Summary of its Energy Smart Implementation Plan Report for Program Years 13 through 15 that, “[o]ver the last three years alone, the Program has helped 2,321 income qualified customers by installing energy savings measures in their homes and apartments at no cost to them.” Please provide a breakdown of (a) what types of measures, and (b) how many of each type of measure, were provided to these 2,321 customers over the last three years. Please provide the breakdown by year and by zip code or census tract.

Response:

The Company objects to this request as vague and ambiguous, and to the extent that it uses undefined terms. The Company further objects to this request as it is not limited to a specific time as it relates to subpart (a). Subject to and without waiving these objections, the Company responds as follows:
