)	

NOW BEFORE THE COUNCIL, the Alliance for Affordable Energy respectfully requests an amendment to the procedural schedule for Entergy New Orleans (ENO) 2015 IRP process. The Alliance has been actively involved in ENO's IRP process since its inception. We believe the New Orleans ratepayers will be best served by allowing intervenors, such as ourselves, additional time to analyze the methods and results of Entergy's Integrated Resource Plan filing. We respectfully request the procedural schedule be amended as follows:

- (1) Intervenor Comments deadline extended to August 1, 2016;
 - (2) ENO Comments deadline extended to September 1, 2016;
- AND
- (3) Advisor Comments deadline extended to October 1, 2016.

RESPECTFULLY SUBMITTED BY:
