TOGETHER NEW ORLEANS MOTION TO AMEND PROCEDURAL SCHEDULE

Together New Orleans has reviewed the proposed procedural schedule in resolution R-24-624 relating to new docket UD-24-02 and is proposing that the second technical conference (between April 7 - May 2, 2025) be struck from the schedule. If, after the first technical conference, it is ascertained that a second one is necessary, it can be added back in. The goal is to move expeditiously to stand up a successful program, based on what other jurisdictions have implemented elsewhere and what is compatible with ENO's existing systems.

Thank you for your consideration,

Nathalie Jordi
