Late in the evening on September 4, 2025, the Hearing Officer issued an "Order Respecting Discovery" dated September 5, 2025. Literally minutes after the issuance of said Order, the Hearing Officer received email correspondence addressed to the Council (and filed with the Clerk) from ENO in reply to the September 2, 2025 letter from Intervenor.

The Hearing Officer acknowledges and has carefully reviewed ENO's reply letter, and reaffirms the original Order of this same date, without any revisions.
