Re: Entergy New Orleans, LLC's 2026 Electric Formula Rate Plan
Filing

Dear Honorable Clerk:

In accordance with Section II.B.3 of Electric Formula Rate Plan Rider Schedule EFRP-7, enclosed herewith is the Memorandum of Entergy New Orleans, LLC ("ENO" or the "Company") on the 2026 Interim Electric FRP Rate Adjustments.

The Memorandum does not present new information and should not be a deterrent to ongoing efforts to reach a reasonable resolution to this proceeding. ENO remains actively engaged in settlement discussions and looks forward to resolving this proceeding amicably and in a manner beneficial to all stakeholders. Consequently, the Company reserves the right to amend the EFRP Rate Adjustments prior to the first billing cycle of September 2026.

ENO submits this filing electronically and requests that you file this submission in accordance with Council regulations.

Should you have any questions regarding the above/attached, please do not hesitate to contact me.

With kindest regards, I am

Sincerely,

Sharonda Williams

Enclosure

cc: Official Service List (UD-18-07 via electronic mail)

**MEMORANDUM OF ENTERGY NEW ORLEANS, LLC
ON THE 2026 ELECTRIC FRP RATE ADJUSTMENTS**

Entergy New Orleans, LLC (“ENO” or the “Company”) has reviewed the Advisors’ Report on the Investigation and Review of Entergy New Orleans, LLC’s 2026 Electric Formula Rate Plan (“FRP”) Filing Evaluation Report. Although not proposing any corrections to the Company’s as-filed 2026 Electric FRP Evaluation Report, Air Products and Chemicals, Inc. (“APC”) has reserved its rights to dispute the allocation of the proposed Electric FRP revenue decrease. No other party has requested ENO to make corrections to the 2026 Electric Evaluation Report.

Herein, ENO responds to the Advisors’ Report in accordance with Section II.B.3 of the Rider Schedule EFRP-7 by stating that the Company does not agree with the corrections and recommendations contained in the Advisors’ Report. Although ENO is encouraged that it can reach an amicable resolution to the issues that have been identified, out of an abundance of caution, for its EFRP Rate Adjustments ENO incorporates its original compliance with decoupling Attachment A, which the Company previously filed on April 30, 2026.

Recognizing that negotiations are ongoing, the Company reserves the right to amend the EFRP Rate Adjustment prior to the first billing cycle of September 2026 to reflect amendments agreed upon by the parties. This Memorandum does not present new information and should not deter ongoing efforts to reach a reasonable resolution to this proceeding. Settlement discussions among pertinent parties will continue and ENO commits to working to resolve this proceeding amicably in a manner that benefits all stakeholders.

Accordingly, ENO reserves the right to amend the EFRP Rate Adjustment prior to implementation with the first billing cycle of September 2026. Additionally, ENO intends to file any necessary Notice and Summary regarding the EFRP Rate Adjustments later this month

should such amicable resolution be reached.

Respectfully submitted,
