DOCKET NO. UD-18-07

WHEREAS, pursuant to the Constitution of the State of Louisiana and the Home Rule Charter of the City of New Orleans (“Charter”), the Council of the City of New Orleans (“Council”) is the governmental body with the power of supervision, regulation, and control over public utilities providing service within the City of New Orleans; and

WHEREAS, pursuant to its powers of supervision, regulation, and control over public utilities, the Council is responsible for fixing and changing rates and charges of public utilities and making all necessary rules and regulations to govern applications for the fixing and changing of rates and charges of public utilities; and

WHEREAS, Entergy New Orleans, LLC (“ENO”), is a public utility providing electric service to all of New Orleans; and

WHEREAS, on July 20, 2026, ENO filed a request to extend the Electric FRP as approved in Resolution R-19-457, and extended in Resolution R-20-213, to allow for four additional Electric FRP Evaluation Filings in each of 2027, 2028, 2029, and 2030; and

WHEREAS, on August 6, 2026, the Council adopted Resolution No. R-26-310 establishing a procedural schedule wherein parties to Docket No. UD-18-07 were invited to submit comments in response to ENO’s request; and

WHEREAS, the Alliance for Affordable Energy submitted comments encouraging the Council to limit approval to a two-year extension rather than the four-year extension requested by ENO; and

WHEREAS, the approved electric formula rate plan rider schedule ("EFRP-7"), Section 3 entitled "Review Period" allows the parties to formally communicate any errors, and proposed corrections, in ENO's application of the principles and procedures contained in Section II.C of the tariff entitled "Annual Redetermination of Rate Adjustments" on July 15 or 75 days after ENO files its evaluation report, whichever is longer. EFRP-7 also requires ENO to, within thirty-five (35) days, review any proposed corrections, work with the Parties to resolve any differences, and file a revised Attachment A containing rate adjustments reflecting all corrections upon which the Parties agree; and

WHEREAS, to encourage a more efficient process, the Council desires that ENO provide an initial written response to the Parties' identified errors and proposed corrections within twenty (20) days of receiving said errors and corrections; and
