BEFORE THE NEW ORLEANS CITY COUNCIL DOCKET NO. UD 12-04

In re: An Inquiry and Fact Finding Into Entergy New Orleans, Inc. and Entergy Louisiana, LLC's Post-Hurricane Isaac Response and Storm Recovery Matters

THE ALLIANCE FOR AFFORDABLE ENERGY NOTICE OF INTERVENTION AND INCLUSION ON SERVICE LIST

NOW BEFORE THE COMMISSION comes the Alliance for Affordable Energy ("Alliance") and respectfully requests that the Council of the City of New Orleans ("The Council") grants the Alliance the right to intervene in the above captioned docket and to participate as a party therein:

1

The Alliance is a non-profit Louisiana corporation that acts as a watchdog for the legal, financial, and technical activities of Louisiana's electric utilities with especial concern for the residential and small commercial ratepayers. The Alliance is dedicated to creating a fair, affordable, and environmentally-responsible energy policy for the citizens of Louisiana and New Orleans.

2.

The Alliance has members served by the Entergy New Orleans, Inc. and Entergy Louisiana LLC.

3.

The Alliance has a substantial and bona fide interest in the subject matter of this docket, which may have substantial impacts on the rates, bills and general electric and gas delivery service for its members. There is no other party representing the interest of the Alliance and its members

The Alliance has intervened in most, if not all, of the dockets brought before the City Council in the last 25 years pertaining to electric and gas delivery, costs and rates. We have also intervened in several cases over the years before the Louisiana Public Service Commission. In fact, working towards fair and affordable energy policies for New Orleans, and Louisiana as a whole, was one of the main reasons the Alliance was formed in 1985. The Alliance has worked with the New Orleans City Council, providing expert testimony and witnesses as well as researching best practices, to help pass several ordinances with regard to energy policy issues for the citizens of New Orleans.

4

The Alliance therefore possesses standing to intervene and respectfully seeks intervenor status in order to fully participate in this docket.

5.

All communications and pleadings in this docket should be directed to:
