**IN RE: 2018 TRIENNIAL
INTEGRATED RESOURCE PLAN OF
ENTERGY NEW ORLEANS, INC.**

DOCKET UD-17-03

**The U.S. Green Building Council, Louisiana Chapter ^[SEP]Petition for Intervention
and Inclusion on Service List**

The U.S. Green Building Council, Louisiana Chapter, (“USGBC-LA”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant USGBC-LA the right to intervene in the above captioned docket and participate as a party therein.

On August 10, 2017, the full Council for the City of New Orleans issued Resolution R-17-430, setting a procedural schedule for this docket, setting a deadline of intervention by October 6, 2017. This request is being made within the intervention period and is therefore timely.

USGBC-LA is a non-profit corporation of the State of Louisiana that provides education, research, and advocacy for green and sustainable buildings in both the residential and commercial sectors. USGBC-LA’s mission is to transform the way buildings and communities are designed, built and operated, enabling an environmentally and socially responsible, healthy and prosperous Louisiana.

USGBC-LA is a formal intervenor in Council Dockets UD-08-02, UD-17-01 and other dockets concerning Entergy New Orleans, Inc (“ENO”) infrastructure planning. USGBC has both individual and corporate members served by ENO. There is no other party representing the interests of USGBC-LA and its members.

USGBC-LA intends to participate in this proceeding in order to protect the interests of the both residential and commercial Entergy New Orleans, Inc. (“ENO”) customers.

USGBC-LA’s interests in this proceeding include:

- a) Ensuring New Orleans rate-payers are served with the most cost-effective resources;
- b) Expansion of cost-effective demand-side management programs, including efficiency improvements, energy benchmarking, and other operational savings;
- c) Increasing access to clean, renewable energy in New Orleans, including measures that improve resilience;

- d) Ensuring access to both energy efficiency improvements and renewable measures for low-income and other vulnerable residents and businesses; and
- e) Efforts to coordinate the council's Resolutions R-17-303, to commit New Orleans to the Paris Climate Agreement, and R-17-428, to dramatically reduce greenhouse gas emissions with resource planning.

USGBC-LA possesses standing to intervene in the aforementioned matter, and respectfully seeks full intervenor status in order to fully participate in this docket. USGBC-LA requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

Please note that USGBC-LA is a public advocacy non-profit organization, thus pursuant to resolution R-16-365, we request that all intervenor fees be waived.

All communications and pleadings in this docket should be directed to:
