**IN RE: APPLICATION OF ENERGY
NEW ORELANS, INC FOR APPROVAL
TO CONSTRUCT DISTRIBUTED
GENERATION-SCALE SOLAR
PHOTOVOLTAIC SYSTEMS AND
REQUEST FOR COST RECOVERY
AND RELATED RELIEF**

DOCKET UD-17-05

**The American Institute of Architects
Petition for Intervention and Inclusion on Service List**

The American Institute of Architects New Orleans Chapter, (“AIA”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant the AIA the right to intervene in the above captioned docket and participate as a party therein.

On December 14th, 2017, the full Council for the City of New Orleans issued Resolution R-17-622, establishing a procedural schedule for this docket and setting a deadline of intervention by January 26, 2017. This request is being made within the intervention period and is therefore timely.

The AIA is a non-profit member-driven professional association that advances the practice of architecture in New Orleans through a comprehensive program of professional development, professional peer engagement, advocacy, and public awareness activities.

The AIA is a formal intervenor in Council Dockets UD-17-03 concerning Entergy New Orleans, Inc (“ENO”) resource additions. The AIA has members served by ENO. There is no other party representing the interests of the AIA and its members.

The AIA intends to participate in this proceeding in order to ensure a more susatainable built environment for all residential and commercial Entergy New Orleans, Inc. (“ENO”) customers.

The AIA’s interests in this proceeding include:

- a) Ensuring New Orleans rate-payers are served with the most cost-effective resources; and
- b) Increasing implementation of, and reliance on, energy use sensors, data and metrics; and
- c) Increasing access to clean, renewable energy in New Orleans; and

d) Considerations related to improving and sustaining ENO system's reliability and resilience, including continued modernization of ENO's distribution system; and

e) Efforts to coordinate the council's Resolutions R-17-303, to commit New Orleans to the Paris Climate Agreement, and R-17-428, to dramatically reduce greenhouse gas emissions with resource planning.

The AIA possesses standing to intervene in the aforementioned matter, and respectfully seeks full intervenor status in order to fully participate in this docket. The AIA requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

Please note the AIA is a non-profit organization, thus pursuant to resolution R-16-365, we request that all intervenor fees be waived.

All communications and pleadings in this docket should be directed to:
