**Petition for Intervention and Inclusion on Service List.**

The Alliance for Affordable Energy, (“the Alliance”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant the Alliance the right to intervene in the above captioned proceeding and participate as a party therein.

On June 5, 2018, the full Council for the City of New Orleans issued Resolution R-18-355, establishing the above mentioned docket, providing for intervention by interested parties by September 23, 2018.

The Alliance is a non-profit Louisiana organization that serves as a consumer advocate for the electric ratepayers of Louisiana, with special concern for residential and small commercial customers. The Alliance is dedicated to supporting fair, affordable, environmentally-responsible energy policy for the citizens of New Orleans and Louisiana.

The Alliance is a formal intervenor in other dockets considering generating resources owned and acquired by Entergy New Orleans, LLC (“ENO”).

The Alliance has members served by ENO. There is no other party representing the interests of the Alliance and its members.

Please note the Alliance is a non-profit consumer advocacy organization thus pursuant to Council Resolution R-16-365, we request that all intervenor fees be waived.

The Alliance therefore possesses standing to intervene, and respectfully seeks intervenor status in order to fully participate in this matter. The Alliance requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

All communications and pleadings in this proceeding should be directed to:
