350 New Orleans

Petition for Intervention and Inclusion on Service List

350 New Orleans (“350 NOLA”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant 350 NOLA the right to intervene in the above docket and participate as a party therein.

On October 4, 2018 the full Council for the City of New Orleans issued Resolution R-18-343 setting a procedural schedule for this docket, and setting a timeline until November 3, 2018 for parties to file for intervention. This request is being made within that intervention period and is therefore timely.

350 NOLA is a volunteer-led local organization whose purpose is to connect our region to the international climate change movement led by 350.org. Our mission is to lend support to initiatives in New Orleans to raise consciousness and promote sound policy around climate change, which poses unprecedented threats to our lives. Rising seas, hotter temperatures, and stronger storms make our community especially vulnerable. We prioritize locally-grown initiatives and collaboration with existing New Orleans-based groups working for climate justice.

350 NOLA is a public interest organization; we have members being served by Entergy New Orleans, Inc. (“ENO”).

350 NOLA intends to participate in this proceeding in order to protect the interests of residential ENO customers in the development of equitable and affordable electricity rates for ENO ratepayers.

350 NOLA’s interests in this proceeding include,

- a) An open and transparent public participation in the establishment of Entergy New Orleans’ electricity rates for New Orleans ratepayers
- b) Addressing of the rising cost of electricity rates, and the high level of energy poverty in the City of New Orleans that leads to undue burden on residents.

- c) Assessment of costs for services carried by ratepayers in the electricity rate structure, and the necessity of these costs for services.

350 NOLA has standing to intervene in this matter, and respectfully seeks full intervenor status in order to fully participate in this docket. 350 NOLA requests that we be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

All communications and pleadings in this docket should be directed to:
