**ORDER**

Pending before the hearing Officer is a Motion to Strike Portions of Surrehuttal Testimony of Advisors' Witnesses James Proctor and Victor Prep, which was filed by Entergy New Orleans, LLC ("ENO") on May 8, 2019.

Because time is of the essence in light of the time constraints imposed under Council Resolutions R-18-434 and R-18-499, and pursuant to the Hearing Officer's prior Order of November 20, 2018, and because ENO's Rejoinder testimony is due by May 24, 2019, an expedited briefing period is required.

Accordingly, it is hereby **ORDERED** that the Advisors (and any other party opposed to the motion to strike) may file an opposition response to the instant motion by close of business on **May 13, 2019**, and ENO (and any other party in support of the motion to strike) may file a reply to the opposition response by close of business on **May 16, 2019**.

This 9<sup>th</sup> day of May, 2019.
