Docket No. UD20-02

Southern Renewable Energy Association Petition for Intervention
and Inclusion on Service List

Simon Mahan, Executive Director of the Southern Renewable Energy Association (SREA) respectfully requests that the Council of the City of New Orleans (“the Council”) grant SREA the right to intervene in the above captioned docket and participate as a party therein.

On August 20, 2020, the New Orleans City Council approved Resolution No. R-20-257 initiating the 2021 Triennial Integrated Resource Plan of Entergy New Orleans in this docket. Interventions are due November 2, 2020, thus our request to intervene is timely.

SREA is a non-profit trade association that promotes the development and use of utility-scale wind energy, solar energy, energy storage and transmission solutions throughout the South, including in Orleans Parish, Louisiana and surrounding states.

SREA’s members are affected by electric utility planning and local, state and national planning processes related to renewable energy development. SREA has been involved in electric integrated resource planning processes with Arkansas Electric Cooperative Corporation, Cleco Power, Entergy Arkansas, Entergy Louisiana, Entergy Mississippi, Georgia Power, Lafayette Utilities System, Southwestern Electric Power Company (SWEPCO), the Tennessee Valley Authority and others. SREA also previously intervened in the New Orleans RPS docket.

There is no other party representing the interests of SREA and its members. SREA intends to participate in this proceeding in order to protect the interests of its members.

SREA possesses standing to intervene in the aforementioned matter, and respectfully seeks full intervenor status in order to fully participate in this docket.

SREA requests that it be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

Please note SREA is a non-profit organization, thus pursuant to Council Resolution R-16-365, we request that all intervenor fees be waived.

All communications and pleadings in this docket should be directed to :
