ORDER

On September 1, 2022, Madison Energy Investment (“Madison”) filed a motion to extend the deadline until September 22, 2022, for filing responses to the First Set of Requests for Information directed to Madison by Entergy New Orleans, LLC, (“ENO”). On September 2, 2022, the undersigned Hearing Officer partially granted the motion by extending the deadline until 30 days after service of same. On September 7, 2022, ENO correctly noted the consequences of said ruling respecting the procedural schedule, and moved to extend “the comment deadline to a date 30 days following a 60-day period of discovery.” Motion at 2.

In light of existing time constraints, the Hearing Officer is hereby setting a deadline of **September 10, 2022**, for parties to file replies to the pending motion of ENO. If no opposing replies are filed, the Hearing Officer intends to grant the relief sought.

So **ORDERED**, this 8th day of September, 2022.
