DOCKET NO. UD-20-02

ORDER

On October 14, 2022, the Alliance for Affordable Energy (the “Alliance”) filed a Request to Submit Comments Out of Time, and Comments for the Alliance for Affordable Energy (the “Motion to File Comments Out of Time”). Pursuant to Resolution R-22-412 (the “Resolution”) of the City Council of New Orleans, Louisiana, the filing deadline for parties to file comments in the triennial Integrated Resource Plan (the “IRP”) matter with respect to the Energy Smart Program Years 13-15 Implementation Filing was September 30, 2022, while the filing deadline with respect to all other issues in the Resolution was October 14, 2022.

To date, no objections to the Motion to File Comments Out of Time have been filed. Considering no disruption of the proceeding might result from permitting the Comments of the Alliance to be filed; the interests of the Alliance are not adequately represented by other parties in the IRP matter; and no prejudice to, or additional burdens upon, the existing parties to the IRP matter might result from permitting the comments of the Alliance to be filed, the Motion to File Comments Out of Time will be GRANTED providing no objections to the Motion to File Comments Out of Time are filed prior to 5:00 p.m. Central Time, Wednesday, November 16, 2022.

It is FURTHER ORDERED that, assuming the Motion to File Comments Out of Time is granted, all replies to the Comments of the Alliance must be filed no later than 5:00 p.m. Central Time, Wednesday, November 23, 2022.

This 14^h day of November 2022.
