<b>RULES FOR COMMUNITY SOLAR</b>	)	<b>DOCKET NO. UD-18-03</b>
<b>PROJECTS</b>	)	

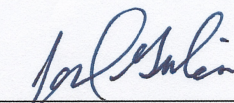

**ORDER**

On April 5, 2018, the Council for the City of New Orleans issued Resolution R-18-223, establishing the instant docket, and therein set a deadline of July 27, 2018, for the filing of petitions to intervene. On July 13, 2022, Madison Energy Investments filed a Motion to Amend the Community Solar Rules. Pursuant to Council Resolution R-22-370 issued on August 18, 2022, and pursuant to the Order of the Hearing Officer issued on September 12, 2022, a deadline of December 7, 2022, was established for the parties to submit Comments on the Motion to Amend the Community Solar Rules filed by Madison Energy Investments.

Entergy New Orleans, LLC (“ENO”) was the sole *party* to timely submit the forementioned Comments on December 7, 2022. However, also on December 7, 2022, the deadline for submitting Comments, the Coalition for Community Solar Access (“CCSA”) filed an untimely (deadline was July 27, 2018) Petition to Intervene, and concomitantly filed Comments. Apparently, CCSA seeks “retroactive” intervenor status, and submits its Comments by the deadline *for parties* to submit Comments, hoping those Comments would be deemed timely should intervenor status be subsequently conferred retroactively.

Any party that objects to said intervention, and/or objects to the submission of Comments by CCSA, shall file a written objection by December 14, 2022. If an objection *is* filed, CCSA, and any party that supports the intervention, shall file a reply to the objection by December 19, 2022. If *no* timely objection is filed, the intervention shall be granted, and the Comments accepted as timely filed.

So ORDERED, this 8<sup>th</sup> day of December, 2022.
