PROJECTS)	

ORDER

On April 5, 2018, the Council for the City of New Orleans issued Resolution R-18-223, establishing the instant docket, and therein set a deadline of July 27, 2018, for the filing of petitions to intervene. On July 13, 2022, Madison Energy Investments filed a Motion to Amend the Community Solar Rules. Pursuant to Council Resolution R-22-370 issued on August 18, 2022, and pursuant to the Order of the Hearing Officer issued on September 12, 2022, a deadline of December 7, 2022, was established for the parties to submit Comments on the Motion to Amend the Community Solar Rules filed by Madison Energy Investments.

Entergy New Orleans, LLC (“ENO”) was the sole *party* to timely submit the forementioned Comments on December 7, 2022. However, also on December 7, 2022, the deadline for submitting Comments, the Coalition for Community Solar Access (“CCSA”) filed an untimely (deadline was July 27, 2018) Petition to Intervene, and concomitantly filed Comments.

By Order of December 8, 2022, the undersigned Hearing Officer provided until December 14, 2022, for filing of objections to the Petition to Intervene and/or to the submission

of Comments by CCSA. Said Order further provided that in the event no timely objections were filed, the Petition to Intervene would be granted, and the Comments would be accepted as timely filed.

No objections having been filed, IT IS HEREBY ORDERED, that the Petition to Intervene is hereby GRANTED and CCSA shall be maintained on the official service list as an accepted intervenor.

And IT IS FURTHER ORDERED, that the Comments filed by CCSA are hereby ACCEPTED as timely filed, and are hereby ADMITTED into the evidentiary record along with the other timely-filed Comments.

So ORDERED, this 15th day of December, 2022.
