**BEFORE THE
NEW ORLEANS CITY COUNCIL**

**IN RE: 2024 TRIENNIAL INTEGRATED
RESOURCE PLAN OF ENTERGY NEW
ORLEANS, LLC.**

**DOCKET NO. UD-23-01
October 10, 2023**

**AIR PRODUCTS AND CHEMICALS, INC.
MOTION FOR LATE INTERVENTION AND INCLUSION ON SERVICE LIST**

This Motion for Late Intervention is filed, through undersigned counsel, by and on behalf of Air Products and Chemicals, Inc. (“Air Products”).

1 .

Pursuant to the Initiating Resolution of the City Council of the City of New Orleans (Resolution R-23-254), dated June 8, 2023, that established Docket UD-23-01, Air Products respectfully requests to intervene out of time and for full participation in the *2024 Triennial Integrated Resource Plan of Entergy New Orleans, LLC* proceeding (“IRP Proceeding”), as a party therein.

2.

Air Products and its New Orleans operations are one of ENO’s largest purchasers of electric power, and accordingly, have a major interest in this docket, will be affected substantially by the outcome thereof, and cannot be adequately represented by any other party.

3.

Air Products recognizes that the intervention deadline for this proceeding was October 2, 2023. However, Air Products agrees to take this proceeding as is. Further, Air

Products submits that given the limited number of days beyond the intervention deadline that this late intervention is being filed, no substantive actions have occurred in the IRP Proceeding, and that Air Products agrees to take the proceeding “as is,” no party would be prejudiced by granting Air Products request for late intervention.

4.

Air Products, upon being granted full Intervenor status, requests that it be added to the Official Service List for this docket, and that all notices, communication, pleadings, briefs, testimony, other filings be served upon the following:
