Justice and Beyond  
Petition for Intervention and Inclusion on Service List

Justice and Beyond (“J&B”) respectfully requests that the Council of the City of New Orleans (“the Council”) grant J&B the right to intervene in the above docket and participate as a party therein.

On October 4, 2018 the full Council for the City of New Orleans issued Resolution R-18-343 setting a procedural schedule for this docket, and setting a timeline until November 5, 2018 for parties to file for intervention. This request is being made within that intervention period and is therefore timely.

The J&B coalition is a New Orleans based organizing platform with the goal to build consensus in our community around progressive issues; to educate and agitate for change in critical issues, including racism and sexism; to help build and support each other’s groups and to develop leadership from youth, women and others across class lines for building a progressive future in the South.

J&B is a public interest organization; we have members being served by Entergy New Orleans, Inc. (“ENO”).

J&B intends to participate in this proceeding in order to protect the interests of residential ENO customers in the development of equitable and affordable electricity rates for ENO ratepayers.

J&B’s interests in this proceeding include,

- An open and transparent public participation in the establishment of Entergy New Orleans’ electricity rates for New Orleans ratepayers
- Addressing of the rising cost of electricity rates, and the high level of energy poverty in the City of New Orleans that leads to undue burden on residents.

- Assessment of costs for services carried by ratepayers in the electricity rate structure, and the necessity of these costs for services.

J&B has standing to intervene in this matter, and respectfully seeks full intervenor status in order to fully participate in this docket. J&B requests that we be placed on the service list of this proceeding and be served with all pleadings, notices orders, and other filings.

All communications and pleadings in this docket should be directed to:
