

ENTERGY NEW ORLEANS, INC.
CITY OF NEW ORLEANS
Docket No. UD-16-02

Response of: Entergy New Orleans, Inc.
to the Second Set of Data Requests
of Requesting Party: Alliance for Affordable
Energy

Question No.: AAE 2-52

Part No.:

Addendum:

Question:

Has ENO ever applied to the City Council to build a generating resource? If yes, please provide the docket number of the application(s).

Response:

The Company states that this request is vague, ambiguous, and overly burdensome. In addition, the RFI requests information that is as available to the Alliance for Affordable Energy as it is to ENO. Subject to these concerns, ENO is not aware of any prior requests to the Council to construct generation.
